

Ontario Provincial Council of
The Catholic Women's League of Canada
Administrative Assistant's Oral Report
Provincial Convention 2015

Madam President:

Mother Teresa said, "If we pray we will believe, if we believe, we will love; if we love, we will serve."

In my service as Administrative Assistant I hear and read about all the social justice projects through the reports from our executive. Our national theme maps out an excellent way we can carry out the objects of The League and in doing this we address many important issues that are present in our world today. To mention a few, poverty, homelessness, mental health issues, human trafficking and many more.

With One Heart we welcome, love, listen and share.

With One Voice, we pray, we write letters and speak up for the needs of others.

Our One Mission is to actively participate in changing our world by our actions to the many social justice projects initiated by our thirteen diocesan councils here in Ontario.

Be assured the province of Ontario is serving joyfully with One Heart, One Voice and One Mission.

Respectfully submitted,

Jeannie Coleman
