

Madam President:

Awe and wonder, in the biblical sense means an overwhelming feeling of reverence, respect, admiration, or fear, produced by that which is grand, sublime, or extremely powerful. One may be in awe of God, a great political figure, a spectacular sunset or even great actions.

This past year I have been in awe and wonder each and every month as I received submissions from across our province for the ON-Line Newsletter.

Fuelled by the gifts of the Holy Spirit, our members worked tirelessly, volunteering hours too numerous to calculate and to organizations and causes too many to list.

As I was preparing my report, two sayings kept coming to mind. "A picture is worth a thousand words" and "Actions speak louder than words."

Madam President and fellow delegates, prepare to be filled with awe and wonder as you watch a vignette of our members in action this past year. Each and every action shown is a sign of the Holy Spirit working through the members of The Catholic Women's League of Canada.
