Directive # 6

Happy Summer! I hope you are enjoying this wonderful weather!

I trust everyone has recouped from Provincial and now gearing up for the National Convention, August 12th to the 15th in Winnipeg.

The good news is that if you are not able to attend, 'Live Streaming' for the annual national convention will be provided. Arrangements have been made to telecast the keynote address of Archbishop Murray Chatlain (Keewatin-Le Pas) on the topic "*Listen Slowly: Women Guided by the Spirit*". The telecast will be available via a link on the national website on Tuesday, August 14, 2018 from 2:45 – 5:15 PM for Ontario and Quebec. You are invited to "tune in" and to encourage other members to do likewise. Visit cwl.ca.

On the Spot! Parish councils are encouraged to send in a picture(s) with a brief description to national office of a council activity they want highlighted. On the Spot! is not for personal awards or to highlight a member; it is to feature a council activity. It is so wonderful to quickly feature activities within councils for members to see!

Our National Communication chair, Shari Guinta, also advises that the national website is being revamped to make it easier to navigate. The website will be launched just prior to the convention. Encourage members to view it often.

The theme "Homelessness" continues during the second half of this term. Let's continue to be informed on the causes and the solutions and to put our thoughts into action!
