Membership

Fran Lucas, national organization chair, has brought it to my attention that our per capita fees are very behind in being submitted. They were due February 28. As of today, 25% of councils have unpaid remittances sitting in the online membership queue (of varying sizes, some just one and others more), and there are another 13% of councils that have not remitted any memberships this year so far!

All levels of the League are financed by per capita fees which allows for consistent operation.

Please communicate with your Parish counterparts to impress the urgency to have these fees submitted.

If in doubt about the status of your council's membership, please contact national office by phone at 204-927-2310 or email then at info@cwlc.ca

I will challenge you to have all council membership fees to national office by **May 1st**. Please keep me posted as information becomes available.

May Our Lady of Good Counsel guide us in all we do,

Colleen Perry
