“Care for our Common Home”

As you are reading this communication you are probably getting ready to prepare for Thanksgiving. The weather here is cooler and the leaves have started that wonderful transition into the vibrant colours of fall. We have so much to be thankful for...

I am blessed with a loving family. I still have both my parents with me. My children and grandchildren enjoy a closeness that brings me great joy.

But not everyone is blessed in this way. Please keep those suffering from loneliness and depression in your thoughts and prayers this fall. There will be new initiatives starting soon, wonderful opportunities to learn and grow and to share our faith with our sisters in the League. Take advantage of those opportunities; attend your fall development days.

Enjoy the wonders of nature that God has gifted us with.

From my family to yours, may God bless you and your families and friends abundantly this Thanksgiving.

Yours in faith,

Colleen
**VOTE!**

**Elections are fast approaching. Your vote matters!**

“Our actions matter and so does our vote because it can turn our country’s government towards greater justice. Our vote can lead to greater economic security and opportunity, or marginalization and hopelessness – for the people in Canada and our brothers and sisters around the world.” (Novalis and Catholic Charities of the Archdiocese of Toronto)

Available through Novalis is an excellent booklet, *For Heaven’s Sake, Vote!* prepared in partnership with the Archdiocese of Toronto. In this booklet, one can learn more about what the Catholic Church teaches about seven key topics: human dignity, poverty, homelessness, health care, Indigenous issues, newcomers and the environment, all very pertinent issues of The Catholic Women’s League.

Make your voice heard! Exercise your privilege to vote! Make use of Advanced Polling days! Offer rides or babysitting for young mothers, the elderly or single parents.

Welcome Home – Hamilton Diocese Theme – 2019-2021

• Calling to mind the love and bond of sisterhood in the CWL league, in particular, within the Hamilton Diocese by creating a welcoming and safe environment for our members to thrive, feel valued and at home.

• Recognizing and acknowledging that many experience loneliness in a variety of ways:
  o Physical – being completely alone
  o Emotional - lack of a sense of purpose or belonging
  o Psychological - not having any secure or stable sense of self-worth or identity
  o Spiritual - not belonging to religious community; not having a sense of being loved by God

• Acknowledging that we are all God’s daughters and we belong to one family through Christ and it is in this belonging that we are truly “home”.

• Recognizing the need to take action in social justice to protect and advocate for God’s creation of our Common Home, the earth that God created for humankind. In doing so, we are witnessing the love of God through ministry and service.

• Our Common Home, the earth, is sacred in that our Lord once walked upon it as fully human and fully divine. God commands us to respect and love His gift of life, each other and the earth.

Welcome Home Song

Welcome Home
You are my sister, you’re my friend
Welcome Home
The love we share is heaven sent
We joined the League, cause we believe
In God, we’re not alone
We’ll grow in faith, make no mistake
This sisterhood is HOME
Welcome Home

Welcome Home
We pray to Mary everyday
Welcome Home
We serve our Lord in every way
We advocate to change the world
For justice, life and love
Protect the earth, a child’s birth
A gift from up above
Welcome Home

Welcome Home
A humble heart will keep us grounded
We shall never judge
Respect and caring
Support and sharing
A sisterhood of love

Welcome Home
Our motto, faith, fulfillment, fun
Welcome Home
It is through Christ that we are One
We joined the League, cause we believe
In God, we’re not alone
We’ll grown in faith, make no mistake
This sisterhood is HOME

ST. JOSEPH, PORT ELGIN

St. Joseph Port Elgin Council raised $2954.15 for the H.U.G. project. They prepared 55 Independent Grocery Bags for their women’s shelter in Kincardine. Every bag held 11 toiletry items and a $15 gift certificate from Tim Hortons. In addition, boxes of additional personal needs items were added by a parishioner’s very generous employer, Loblaws.

ST. PATRICK, HAMILTON

Prayer shawls were blessed at their Our Lady of Good Counsel Mass. A dozen of these shawls were delivered to the long-term care facility Baywoods Place, which is across the street from St. Patrick Church.

Celebrating 95th Anniversary - 1924 – 2019

ST. RAPHAEL, BURLINGTON

2019 is a very special year for us as we celebrate 60 years as a Catholic Women’s League Council! On Saturday April 27th we had a special Mass to mark our 60th Anniversary and after Mass a luncheon was held to gather and honour long-time members of 40+ years.
ST. FRANCIS XAVIER, STONEY CREEK

Seventy years ago, the Catholic Women’s League was founded in our parish. We have had many events throughout this year. We have enjoyed a spring luncheon, an anniversary tea and Mass, and, lastly, a potluck/fashion show with the Knights of Columbus. We decided to have a quirky fashion show for entertainment, a fashion show playing on words so that if someone was wearing a 14-carat necklace, she actually had 14 carrots around her neck!

ST. MICHAEL, WATERLOO

At our June meeting we celebrated our sisterhood and friendships with a potluck, service pin celebration, Woman of the Year Award and Secret Pal reveal.

BASILICA OF OUR LADY IMMACULATE, GUELPH

Ania, lay chaplain at the University of Guelph spoke regarding the environment on university campuses and the many difficult challenges facing Catholic students. They are forced to defend their faith, their morality, and their worldview in a toxic and unsafe environment. Catholic Women’s League can support students through mentoring, cooking a meal, providing a safe space for faith discussions.

LONELINESS

“Language...has created the word “loneliness” to express the pain of being alone.
And it has created the word “solitude” to express the glory of being alone”
- Paul Johannes Tillich

The three resolutions passed at our provincial convention, all hold within their depths, an element of loneliness as a possible cause or effect of the social situations to which we seek solutions. Clearly, as these resolutions suggest, loneliness is a serious issue among us.

So, just what is loneliness? A wonderful website I stumbled across (Eden Project Communities) in my search for answers, defines loneliness as a mismatch between the relationships we have and those we want. It is our internal trigger, letting us know it’s time to seek company, just as hunger lets us know it’s time to eat.

Many of us immediately think of the elderly when we consider loneliness, but the truth is, anyone at any age can be lonely – even busy people, even you – whether alone or in a group, at work or at home with family.

Loneliness harms us as individuals, as neighbourhoods and as communities. Research has shown that lacking social connections is as damaging to our health as smoking 15 cigarettes a day (Holt-Lunstad, 2015). A startling fact indeed!

Lonely people may feel excluded from the opportunities many of us take for granted. They may struggle with their sense of self-worth, lack confidence and have trust issues, making it difficult for them to embrace new opportunities and to meet new and different people in ordinary everyday situations.

What can we do to enable ourselves and others to feel more supported and less alone?

• Start with your street — say hello when you see people and try to get to know your neighbours
• Take a look at the people around you where you live and work — what can you do to foster new friendships and be more inclusive?
• Smile at people you don’t know
• Hold the door for someone
• Offer help to a new mother
• Watch for new faces/families in your church and take time to say hello
• Include your parish priest in social situations, especially in rural areas
• Offer rides to church or meetings
• Send a hand-written letter or card
• Lend a stranger a helping hand
• Say thank you --- and mean it
• Brainstorm with your council for other ideas --- and act upon them!
Loneliness can come and go, often taking us by surprise. Some suggestions if we find ourselves lonely:

- Look after yourself, both physically and mentally
- Smile and say hello, even when it’s hard
- Ask for help from friends, family or professionals
- Talk about loneliness
- Don’t give up: get out, get involved
- Give the gift of time: give someone a little extra time
- You are not alone — anyone can be lonely
- Make every contact and conversation count
- Loneliness can affect you, both physically and mentally
- Look out for opportunities to meet people and cultivate new friendships and social interactions
- Expect the best. Lonely people often expect rejection, so instead, focus on the positive
- Take care of yourself and of others and remember, we all have something to give.

Education and money are important but being part of an effort is what gives life meaning. Every hour you are on this earth is precious. There must be opportunities for you to feel you’re contributing to enjoy life to the fullest.
— Hazel McCallion (ex-Mayor of Mississauga) at UTM speech in 2016

"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap"
(Luke 6:38)

Giving sets the blessing of God into motion in your life. When you give, you plant a seed. If you were to plant an apple seed, you wouldn't just grow one single fruit. No, that one seed grows into a tree that produces an abundance of apples! That's what happens with giving.

Heavenly Father, we thank You for all the good gifts you have bestowed on us.

We thank you for the food we eat, for the beauty of the seasons and for the wonders of your creation.

We thank you for our home, family, sisters in CWL and friends, especially for the presence of those gathered here, and ask you to bless and watch over us all.

We remember those who are hungry, lonely, sick and those who have gone to your heavenly home.

Above all, we thank You for the gift of your son, our Lord Jesus Christ. Amen!
October is the Month of the Rosary - Since 1571

The Rosary is such an important tool for prayer in our lives that the entire month of October has been dedicated to the Rosary.

The liturgical feast of Our Lady of the Rosary is celebrated every year on October 7th.

It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful. In the month of October, let us consider this beautiful prayer of the Rosary as a means that we too can use in order to draw closer to Jesus and Mary by meditating on the great mysteries of our salvation.

Tradition holds that October has been celebrated as the month of the rosary since 1571, and the victory of the Catholic League (an alliance of Spain, Venice, the Papal States, Genoa, Savoy, and Malta) over the forces of the Ottoman Empire who were seeking to take over Italy in an effort to move into the heart of Europe. It was October 7, 1571 when the battle was fought, and the Catholic League was able to overcome the Ottoman forces.

Pope Pius XIII officially established October as the Month of the Rosary in the 1884. That year, he published Superiore Anno, an encyclical which was focused on recitation of the holy rosary. In it, he called for the entire Church to dedicate the whole of the month to the rosary and pray it daily.

Take a moment at the beginning of each decade to reflect on the mystery it represents. This may help you focus on the mystery itself and avoid distractions. Invoke the Holy Spirit before praying the Rosary. Be sure to ask for the virtues / graces associated with each mystery.

There are still days left in the month.... Make a commitment to pray the Rosary daily! You'll be glad you did!
