Subject: Invitation to Attend "4 Season's of Reconciliation"

This message is being forwarded to Ontario diocesan chairpersons of community life, Ontario diocesan presidents and OPC executive. Please feel free to share.

Greetings everyone,

The following information came to my attention via St. Bonaventure CWL in North York region, Toronto diocese.

RBC is sponsoring a First Nations University of Canada and Reconciliation course, "4 Seasons of Reconciliation". There are free seats available to learn from the various Indigenous contributors involved in the creation of *4 Seasons of Reconciliation*. This self-paced online program offers 10 modules on truth and reconciliation, which is available to all Canadians. Upon completion of the online course, you will be awarded a "Certificate of Completion" issued by First Nations University of Canada. These resources are the result of many years of work. If you are interested in attending, kindly refer to this link <https://www.reconciliationeducation.ca/rbc>.

We will also add this link to the OPC website www.cwl.on.ca under the Truth and Reconciliation tab. I encourage everyone to please continue to share any T & R resources they may come across so that together we can all continue to Learn and Listen.

Peace and Blessings to all,

Mary Capobianco
Ontario Chairperson of Community Life.
