The Catholic Women's League of Canada
Past Provincial President / Historian**

Directive # 1 pages: 1 attachments:2 August 23, 2022
To: Diocesan Past Presidents / Historians
Cc: Diocesan Presidents, Provincial Officers, National Past President

Greetings Past Presidents!

I welcome all of you to this prestigious position. We have worked hard in our role as president of our councils. Now our greatest job as past presidents is to encourage and support the current president. I was extremely grateful to the past presidents who gently guided me at each level of the League to ensure I was comfortable in my role. Try to make yourselves available to assist or advise whenever asked.

Our New Provincial Theme

Our new provincial president has announced that the provincial theme for the next 2 years will be *"Go Make a Difference"* and has asked the executive to choose a project to do just that. She suggested developing a workshop or any other project we, as a team, can work on. I look forward to any suggestions you may have that we can discuss together and finalize before the OPC Fall meeting at the end of September.

Archiving

Many of you will be visiting your archives for the first time in the next little while. It is your responsibility to manage those valuable documents in order to maintain a history of your councils. There is excellent resource material available on the national website. I am attaching 2 of these resources for your convenience.

In Closing

I wish you a successful term and know that I am an email away.

Blessings,
Colleen
