Directive # 2

It's getting a little chilly out there, but that's what we can expect for this time of the year! I was sitting in my sunroom earlier and thinking what a beautiful time to rest and contemplate. So peaceful especially if you are inside looking out.

Budgets: Treasurers should be gathering information in order to prepare for next year's budget. Start by asking your executive if they anticipate any upcoming expenditures or new projects for the coming year. You might consider including a donation to the Truth and Reconciliation Fund, besides attendance to the Provincial or National convention. Don't forget to include something for the development of your members!

Memberships:

All of us are instrumental in encouraging non-members to join. You may have to remind them about the benefits of being a member of The League...it is more than attending meetings! The personal touch is always the best way to attract new members. There are resources available at National to assist you. See 300 Series – Promotional material

Bernard Bishop F. Pappin Bursary Fund: Your continued support of the Bernard Bishop Pappin Bursary Fund is to be congratulated. Donations should come to me with the cheque made payable to the Ontario Provincial Council of the Catholic Women's League. You should note Bishop Bernard F. Pappin Bursary in the memo line. Please continue to promote donations to this fund to assist our seminarians and encourage more young men to the priesthood.

Annual reports: It is that time of the year again where annual reports are requested. Diocesan treasurers, please encourage the parish treasurers to complete the survey on line. This information is important to all of us as we complete year end reports, and analyze what has changed and what is required.

In addition to the on-line survey please encourage parish councils to complete the "Treasurer's Annual Report" form. I have enclosed "**Parish Treasurer's Annual Report**" to be completed. Ensure that the Diocesan Treasurer's information is included at the **bottom** of the form. These reports should be completed by January 15th at the latest. If completing manually they should be completed by December 15th.

Diocesan reports can be sent to me at: mtlamphier@gmail.com. (Form attached) I usually acknowledge receipt...so if you don't get confirmation from me, maybe something went wrong.

Besides the donations report, you also need to complete the report which will be forthcoming from our Organization Chairperson, Colleen Martin. This needs to be completed by date set on the form.

Theme: Go Make a Difference

We were all asked to take on a project to make a difference. I have chosen to educate myself on Indigenous issues. I have completed a 3-hr on line Indigenous awareness training course entitled: "4 Seasons of Reconciliation – Special Campaign 2022" from the First Nations University of Canada. I found it very informative. You may want to sign up for it if it becomes available to you. Please let me know what project you have chosen to make a difference!
