GO MAKE A
DIFFERENCE!

Pope Francis speaking to international conference on moral theology; "There is a difference between wanting to go back in time and drawing inspiration from one's roots in order to move forward with Christ", he said. Looking back to find inspiration is good because "without roots we cannot progress," he said.

Happy New Year to all of you!

Reminders:

ANNUAL REPORT SURVEYS – Deadline January 15, 2023

A communication from national today indicated only 260 of 1,122 councils have completed their 2022 annual report survey; another 120 are in progress. I logged in and it tells me 326 respondents completed this survey.

1. Check your diocese's progress by logging in at <https://www.snapsurveys.com/login>.
Your username is the name of your diocesan council as listed in your charter. Your password is your diocesan president's first name then '.' then last name plus one e.g., OPC Linda.Squarzolo1
2. If possible, strike a committee (multiple if you have regions) to personally touch base with councils who have not started to encourage completion.
3. Please remind your councils of:
 - Access to the survey site can be found by clicking on the link below and they will need their council alphanumeric council code from their paid membership lists. <https://wh1.snapsurveys.com/s.asp?k=166438024170>
 - As they enter data online, go to the end of the survey and click 'SAVE' often so that in case of a computer or internet connection issue they do not lose all their work.
 - Print/save as a PDF before hitting submit button so the council has a copy.
