"BEE Compassion into Action" ... it's a challenge!

Provincial President Linda Squarzolo asked the provincial council to develop a project for members to **Go Make a Difference**, which is the theme she has chosen.

The Community Life *team* has created a **BEE Compassion into Action** challenge. We think this is a unique way for members to educate themselves on certain issues and topics and then go make a difference.

Attached to this directive you will find the following:

- **Instructions**
- **The Challenge** (choose one of three topics)
- **Survey**

This involves working as a team. We encourage members to participate to the extent they are able. You have plenty of time to complete the challenge.

Good luck with it ... enjoy it ... do your best! You will be amazed what you learn.

Lots of love,
