**EARTH DAY 2025
OUR POWER, OUR PLANET**

Earth Day is celebrated on April 22nd with this year's theme, **Our Power, Our Planet**. Inviting everyone around the globe to unite behind renewable energy, and to triple the global generation of clean electricity by 2030. Earthday.org advocates for the health of the planet, for our air, oceans, soil, eco-systems, wildlife, and human health. This is the 55th anniversary of the event. Earth Day brings awareness and address environmental issues.
