- May 24: 10<sup>th</sup> Anniversary Laudato Si'
- May 22<sup>nd</sup>: International Day for Biological Diversity

## Laudato Si' "On Care for Our Common Home"

Pope Francis 2015 encyclical, <u>Laudato Si' (*On Care for Our*</u> <u>*Common Home*)</u> was the first Papal letter on the environment and the relationship between humanity and the earth.

"Laudato Si', mi' Signore" – "Praise be to you, my Lord". In the words of this beautiful canticle, Saint Francis of Assisi reminds us that our common home is like a sister with whom we share our life and a beautiful mother who opens her arms to embrace us. "Praise be to you, my Lord, through our Sister, Mother Earth, who sustains and governs us, and who produces various fruit with coloured flowers and herbs".[1]

**Chapter 1:** It included warnings to take actions for a sustainable future.

- Pollution and Climate Change
- The Issue of Water
- Loss of Biodiversity

The <u>Laudato Si' Movement</u> anniversary theme is **Raise hope!** Their resources include <u>The Letter film</u> to explore Laudato Si' in a 2-hour event that is available to download.
